Permit Required

A retail liquor store that wishes to conduct tastings shall submit an application for a tastings permit to the City, acting as the local licensing authority. The applicant shall state on the application the days and times that the tastings will occur. The City may reject the application if the applicant fails to establish that the licensee is able to conduct tastings without violating the provisions of this section or creating a public safety risk to the neighborhood.

Application must be submitted 10 days prior to the tasting. Fee must accompany the application. Proof of training must also be included.

Limitations

- a.) Tastings shall be conducted only by a person who has completed a server training program that meets the standards established by the liquor enforcement division in the department of revenue and who is either a retail liquor store licensee or a liquor-licensed drugstore licensee, or an employee of a licensee, and only on a licensee's licensed premises.
- b.) The alcohol used in tastings shall be purchased through a licensed wholesaler, licensed brew pub, or winery licensed pursuant to section 12-47-403 at a cost that is not less than the laid-in cost of such alcohol.
- c.) The size of an individual alcohol sample shall not exceed one ounce of malt or vinous liquor or one-half of one ounce of spirituous liquor.
- d.) Tastings shall not exceed a total of five hours in duration per day, which need not be consecutive.
- e.) Tastings shall be conducted only during the operating hours in which the licensee on whose premises the tastings occur is permitted to sell alcohol beverages, and in no case earlier than 11 a.m. or later than 7 p.m.
- f.) The licensee shall prohibit patrons from leaving the licensed premises with an unconsumed sample.
- g.) The licensee shall promptly remove all open and unconsumed alcohol beverage samples from the licensed premises or shall destroy the samples immediately following the completion of the tasting.
- h.) The licensee shall not serve a person who is under twenty-one years of age or who is visibly intoxicated.
- i.) The licensee shall not serve more than four individual samples to a patron during a tasting.
- j.) Alcohol samples shall be in open containers and shall be provided to a patron free of charge.
- k.) Tastings may occur on no more than four of the six days from a Monday to the following Saturday, not to exceed one hundred four days per year.
- l.) No manufacturer of spirituous or vinous liquors shall induce a licensee through free goods or financial or in-kind assistance to favor the manufacturer's products being sampled at a tasting. The licensee shall bear the financial and all other responsibility for a tasting.

Violations

Any licensee conducting a tasting shall be subject to the same revocation, suspension, and enforcement provisions as otherwise apply to the licensee and are imposed by the City.
