Community Development Department Fees  
**Building Division Fees**

**Plan Review Fees**

1. Plan Review fees shall be sixty-five (65%) of the applicable Building Permit Fee calculated using the above tables.
2. For Commercial, Institutional and Multi-family construction, fifty percent (50%) of the Plan Review Fee shall be deposited with the City at the time of building permit application.

**Use Tax**

A use tax of 2.8125% will be collected at the time a building permit is issued and will apply to materials used in construction, per Chapter 4, Article III of the Lone Tree Municipal Code. Use tax is collected as follows:

Lone Tree Use Tax = (Valuation of Project x .50) x 1.8125%

Douglas County Use Tax = (Valuation of Project x .50) x 1.0%

No Douglas County Use Tax will be collected on mechanical, plumbing or electrical only permits/projects (examples: air conditioners, furnaces, water heaters and/or gas lines).

**Determination of Value**

**Determination of Value:** The applicant for a permit shall provide an estimated permit value at the time of application. Permit valuations shall include **total value of work, including construction materials and labor**, for which the permit is being issued, such as electrical, gas, mechanical, plumbing equipment and permanent systems. If, in the opinion of the building official, the valuation is underestimated on the application, the permit shall be denied, unless the applicant can show detailed estimates to meet the approval of the building official.

In the event of a dispute, the Building Official shall use the latest version of the Building Valuation Data published in the International Code Council's *Building Safety Journal* or other similar cost per square-foot resources to determine the minimum acceptable valuation. Final building permit valuation shall be set by the building official.

++ A "Pad Site" is part of a larger approved Site Improvement Plan (SIP). The following items must exist (or be approved) to qualify as a "Pad Site": (1) Detention/water quality, access, parking (generally), grading (generally) and utilities all provided for through the larger SIP; (2) No revisions are required to the overall drainage patterns, detention, water quality, etc.; (3) The consulting engineer for the Project is required to submit a letter (minimum) certifying that the drainage and access for the "Pad Site" are in substantial compliance with the Larger SIP Drainage Report and Traffic Report (if applicable).		
+++ The City of Lone Tree reserves the right to send referrals to outside agencies from which expert technical assistance may be requested. Fees may be assessed by referral agencies for their outside review, and those fees shall be assessed to and paid by the applicant.		
1. X denotes area in acres 2. Y denotes longitudinal distance in hundreds of feet		
The fees listed above are only an estimation of the review fees for the project. Any additional review fees accumulated over this amount will be assessed on a per hour basis plus 15% for administrative costs. If such additional amounts are not paid when required by the City, the City may suspend or terminate the review of the application.
