

Homeowner's Trash & Recycling Guide

Waste Connections of Colorado, formerly ProDisposal, will collect unlimited household trash every week. Trash must be bagged and placed in a closed container. There is a 40-pound limit per can/bag, and all animal waste must be bagged. Waste Connections of Colorado will also collect up to 15 bags of yard waste per week. Branches and brush must be cut into 4-foot lengths and tied securely in 24-inch diameter bundles. Limit: 10 bundles per week.

Recycling is picked up on the same day as your trash, on an every-other-week schedule (see calendar). Make sure to place recycle bins a few feet from your trash and have it out at curbside by 7 a.m. on the day of collection. Two FREE 18-gallon recycle bins per household may be picked up at the City of Lone Tree (9220 Kimmer Drive) or you may order a 65-gallon wheeled cart at www.cityoflonetree.com.

Waste Connections of Colorado does not accept any liquid waste or batteries. A clean-up fee will be added if your trash contains these items.

For special pickups or large items such as construction debris, house cleanouts or furniture, call Waste Connections of Colorado at 303-288-2100 for more information.

At Your Door is the City's household hazardous waste service provider. They collect items that should not be placed in the trash or recycled. Call At Your Door at 1-800-449-7587 to obtain a quote and schedule a pickup. Electronics recycling is also available.

RECYCLE: aluminum, paper bags, cardboard, glass bottles/jars, junk mail, magazines/catalogs, newspaper, office paper, phone books, Styrofoam/plastic, steel/aerosol cans and milk/juice cartons.

DO NOT RECYCLE: plastic bags, Tyvek overnight mail folders, plastic egg cartons, six-pack ring holders or batteries.

2020 TRASH & RECYCLING GUIDE

ProDisposal, the City's trash & recycling service, is now transitioning to Waste Connections of Colorado. Please note that you will see different trash trucks during pickup. However, the free service to Lone Tree residents will not change.
