

# Homeowner's Trash & Recycling Guide

Residential trash and recycling services are provided to eligible residential properties in Lone Tree by the City's partner, Waste Connections. To ensure your trash and recycling are picked up in a timely and efficient manner, please adhere to the following:

- **Please have your trash and recycle bins out at the curb on your designated service day by 7:00 a.m.**
- Please try to have two feet in between the containers for easier pickup by the trucks
- Recycling is picked up on the same day as your trash, on an every-other-week schedule (see calendar)
- Make sure to place recycling bins a few feet from your trash
